

## 2012 ADVENTURE CAMP SAFE CAMP BEHAVIOR AGREEMENT

I, \_\_\_\_\_ (print camper's name), agree to always follow the given safety rules of the camp staff and understand that if rules are broken, I will get a written warning to go home and could be expelled from the camp immediately. After three reports, camper is asked to leave due to this bad behavior. Any expulsion due to bad behavior results in no refund of any camp fees.

Any fighting or stealing of personal property could result in the local police being called.

I will also not eat or drink during transportation trips unless instructed O.K. by driver. On any trip, the staff could instruct you about any 'special added safety rules' that are necessary due to the nature of the facility. These rules are for your safety and must always be followed.

I will be respectful of my camp facility, camp staff and all fellow campers. If I should have any problems, I will seek assistance from my camp staff. I understand that these rules are in place for my safety and I will fill follow them at all times.
